Tree Planting Schemes

Planting more trees is an enormously popular reward scheme add on. For only 8 pence a tree can be planted which will sequester up to 1 tonne of CO2 as it grows to maturity over 40 years. Furthermore, the Eden Reforestation Project that plants these trees helps to reduce extreme poverty in some of the poorest countries on the planet whilst restoring healthy forest habitats.

An example weekly rewards scheme for each employee...

-  Plant a tree
 -  Plant another tree
 -  Plant another tree
 -  Plant another tree
 -  10kg of carbon eliminated
 -  Feed a hungry village
 -  A day's guide dog training
 -  Active week prize draw
 -  Pro week prize draw
 -  Elite week prize draw
-  3 add ons total upto £0.23
or prevailing exchange rate

Many employers request a reward scheme that drives their company to be carbon neutral. A typical employee has a carbon footprint of over 100kg per week. Planting trees is cost effective & great for longer term carbon capture. In the short term saplings do not sequester high quantities of carbon. Carbon offset projects provide immediate carbon elimination.

Some employers are light on Human Resource power or do not have the economies of scale to offer elaborate employee benefits. Scooch empowers all staff to earn remuneration to fund their fitness pursuits with total flexibility via gifting. Employers interested in tax-free alternatives to gym subsidies can adopt quarterly pension bonuses for employees reaching physically active goals.

Scooch's mission is to slash rates of chronic illness & improve life quality for as many people as possible. We do this in partnership with employers that want to incentivise staff to maintain physically active day to day lifestyles.

Approximately half of every core reward subscription is allocated to the weekly prize pool.

Active week prize draw

- ~£0.17 of each weekly subscription is allocated to £750* capped Active jackpot wins.
- ~£0.07 of each weekly subscription is allocated to £5* Active wins.

Pro week prize draw

- ~£0.05 of each weekly subscription is allocated to £15* Pro wins.

Elite week prize draw

- ~£0.02 of each weekly subscription is allocated to £30* Elite wins.

Employees reaching 700 points, 1225 points & 2100 points for any given week qualify for the Active, Pro & Elite prize draws respectively. Logged points are not counted toward the qualifying points score for these prize draws.

Winners are selected at random across the entire Scooch employer & employee network for these prize draws. Employers wishing to run prize draws just within their own team(s) can do so using an add on reward component to their reward scheme.

Example: 10000 employee subscription week

- 3x £565* Active jackpot winners.
- 132x £5* Active winners.
- 29x £15* Pro winners.
- 5x £30* Elite winners.

* The prevailing exchange rate will be applied for other currencies. Payouts are made via PayPal & redemption requires a PayPal account.
